A photograph of a young woman with short, wavy brown hair and red lipstick, lying on her back on a bed with white linens. She is nude, with her hands resting on her thighs. She is looking directly at the camera with a slight smile. The background shows a beige headboard and a white pillow.

P.S. Oh, I almost forgot! By popular demand—thanks, guys!—look for a very special classic on page 62. :)

Hi, guys! It's Stacy the intern. Meet Silvia. She's wise beyond her years, so listen hard!

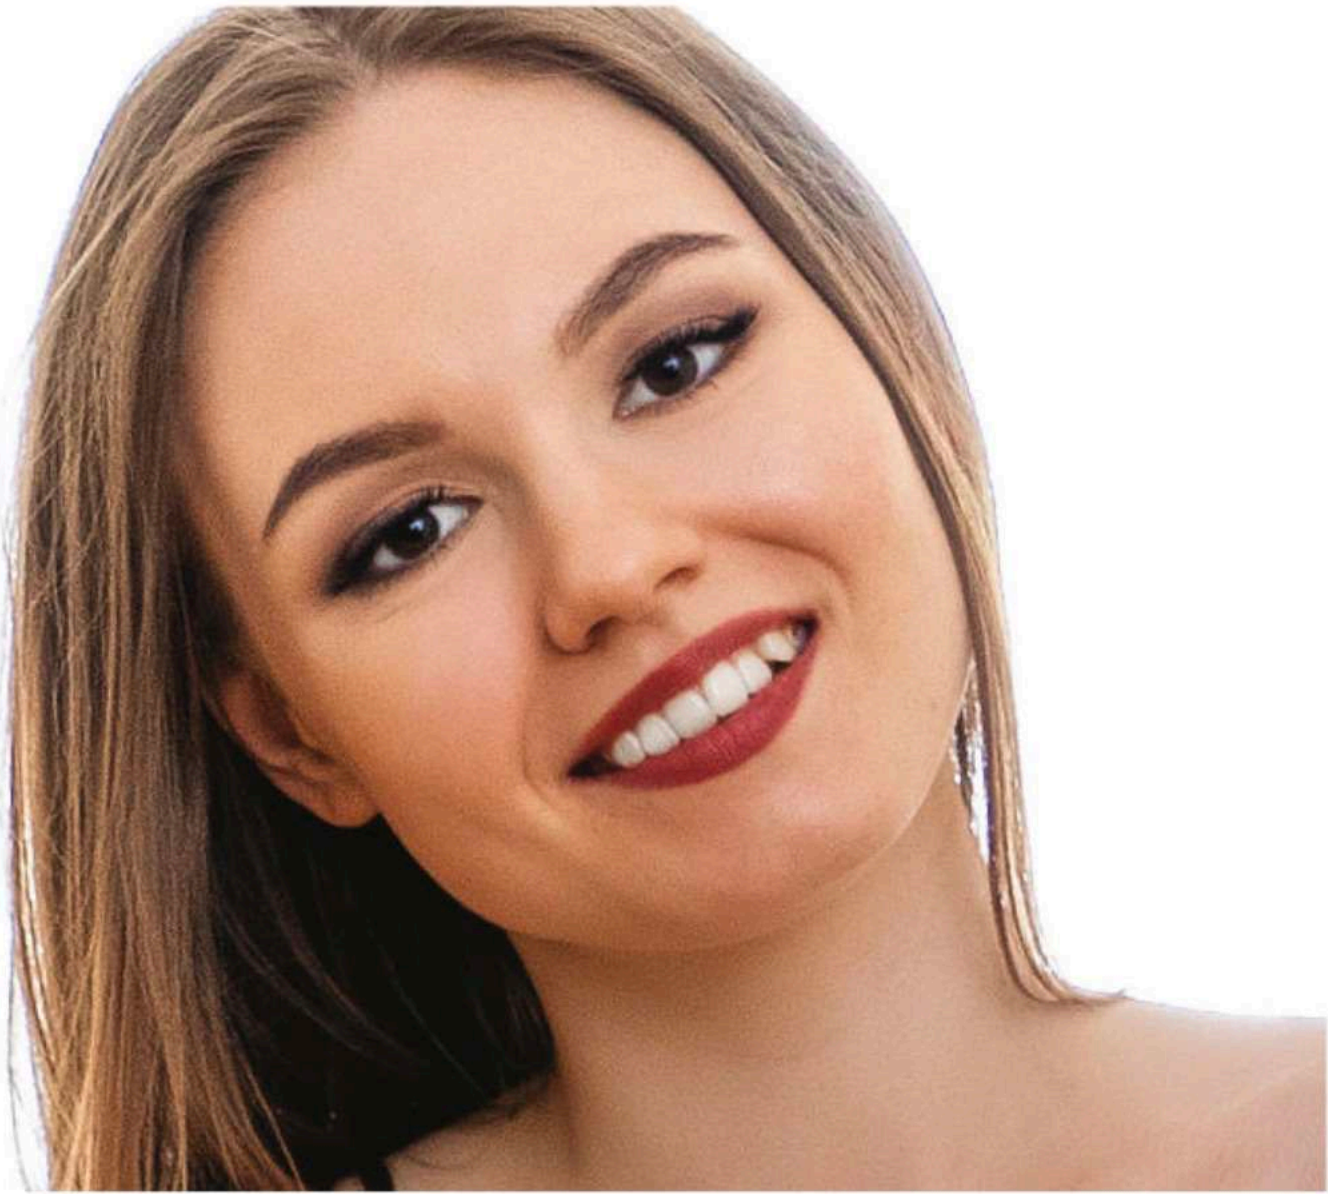

Welcome, Silvia!
Thank you!

Tell me a little about yourself.
I'm free-spirited, and I'm curious. I love learning things.

Like what?
Oh, all kinds of things. Different languages, new skills, history—but my favorite subject is sex!

Good choice! What have you learned about sex?
So many things! The most important thing is to pay attention to your partner's body language. But I'm especially proud of my BJ game.

What kind of wang-sucking wisdom can you share with us, Silvia?

First off, it's not all about the sucking. You want to push it as far back in your throat as you can. That way you produce lots of drool. It makes his cock all slick, so you can give him a slippery handjob while also working the head of his dick with your mouth.

Okay, I'm taking notes. What else?
This is a special trick I learned—wiggle the tip of your tongue in his slit while lightly tickling the back of his balls. It makes guys squirm with delight.

Wow, this is gold! Where did you learn all of this?
At my old job. I used to work as a waitress in a restaurant. After closing, one of the cooks used to let me practice on him in the kitchen.

Sounds like he was a good teacher.
He was! But some things I learned on my own. Like, one time while I was blowing him, I reached into the ice machine and shoved an ice cube up his ass.

Whoa! Did he like that?
I think so—he came all over my waitress uniform.

You should open a sex school!
I might someday, but I feel like I still have so much left to learn.

Like what?
I'd like to learn how to be double-penetrated. I think that will take some practice, but I'm willing to put in the work.
Silvia, you are a true sex scholar. Would you come back and teach us more sometime?
I'd love to! ★

AIRI

life's a beach

Hi, it's Stacy the intern again. Adorable Airi recently spent a semester as a senior exchange student at a South Carolina high school. She learned a lot about America—especially *after* school!

Hello, Airi! How did you learn to speak such perfect English?

From watching *Gossip Girl*, *Outer Banks*, and Disney shows. I love Disney!

How do you like America?

I love it, but at first I was shocked. Teenage girls here wear hardly any clothes on the street.

You were shocked? I've seen some pretty kinky Japanese stuff.

Hello, tentacle porn?

Yes, but not on the *street*. I would feel too shy to walk around almost naked.

Right now you're *all* naked.

In private, yes, I love to be naked and have sex.

So, did you have sex with any American guys?

Lots of guys. I was very popular here. More than I am at home.

I think you're cute in any country!

Yes, thank you. But here, I was new. I had many more boys competing.

Which ones did you pick?

The biggest ones. Blond hair. Big muscles and hands. And big cocks.

But you are so teeny! Can you handle a big cock?

Yes. I like to be fucked very hard.

What's your favorite position?

From behind or up in the air, with hands gripping me.

PHOTOGRAPHY BY RYOKO VERSION

Do you like to suck cock?

Yes. I can fit a whole cock in my mouth, down my throat. Even one of the biggest ones.

Do you swallow?

Yes, I love cum.

Did you do anything with an American guy that you never did at home?

I had anal sex for the first time. It felt so nice!

You weren't nervous?

I was nervous when he said he would lick my asshole to get me ready. But I let him do it anyway. He was right, it made me ready!

Do you think you'll be different when you're back home? Like, will you dress slutty and do anal all the time?

Dress slutty, no. Anal all the time, yes! ★

ARIES

the magic touch

Hey, guys! It's Stacy the intern. We think Aries is hotter than hot, but see for yourself!

Hey, Aries! So what do you think? Do you like modeling?

I love modeling. But the *main* thing in my life is, I'm now going to massage school.

Massage—like, with a happy ending?

Stacy, omigod! No! *Real* massages. *Therapeutic*.

How will guys keep from getting boners when you massage them? I mean, you're so hot, as soon as you touch them....

Ha-ha. Well, I hope they know I'm just there to make their bodies feel good in a nonsexual way.

What if it turns you on to touch *their* naked bodies?

I'll just have to focus on being professional. Actually, it will be harder to touch *girls'* naked bodies and not get a little wet.

Do you prefer girls over guys?

No, but, like, girls' skin is so *soft*. I love to touch it. But I have a lot of will power. I'll be okay.

When we first contacted you for this shoot, you said your fantasy was to have sex with two guys at the same time. Did that ever happen?

Oh, yeah! I did finally have a threesome.

Did it live up to the fantasy?

Omigod, yes! I love to be spoiled in bed, and when you're with *two* guys? You definitely get spoiled. Someone was always in me or on me. For *hours*.

Do you spoil guys back?

I try to! I love sucking cock. Also, my next boyfriend is going to be very happy, 'cause I need somebody to help me with my massage homework! ★

xxx, juliana

Hello, men! Abby the intern here. Sweet-faced nerd Sophia has a kinky side. Wait'll you hear about her fetish—it's the pits!

Hi, Sophia! Tell me a little about yourself. What do you like to do for fun?

I'm kinda nerdy, to be honest. I love video games! Also, manga comics, sci-fi movies—that sort of thing.

So you're geeky—but do you get freaky?

You mean like with sex? Oh, hell, yeah—I love to fuck!

Glad to hear it! What's your favorite position?

Doggy is the best. It really shows off my big, juicy butt.

Do you like to give head?

Of course, and I'm great at it too. At least that's what I've been told.

Do you swallow?

Hell, yes! I don't do anything halfway, and spitting is a total cop-out as far as I'm concerned.

What kind of guys do you like?

Dudes with good personalities—that's mostly what I care about. It's nice if he's tall too, since I'm 5-7, but it's not totally necessary.

Do you like girls too?

For sure! Pretty, feminine chicks make my kitty purr.

What's your biggest turn-on?

I'm not sure that I want to say. It's a little weird, LOL...

Now you have to tell me!

Well, I like smelling armpits. It gets me so wet.

Wow! With boys or girls?

Both! I like a nice, musky smell in a guy's pits. Girls tend to smell a little sweeter, and I love that too.

Do your partners ever get weirded out by that?

Sometimes, but mostly not. I tend to get with a lot of fellow gamers, and they're pretty comfortable with their ripe pits.

Where do you like a guy to pop?

Inside me. Creampies are my other big fetish, haha.

What's your favorite fantasy?

I really want to get fucked in a club bathroom. Once I'm old enough to go to clubs, I think I'll be able to make that happen.

No doubt! Any parting words for our readers, Sophia?

Follow your nose! ★

LINDSEY

I wanna be bad

If you can believe it, my life sucks” says Lindsey. “My parents are giving me a really hard time. They are old hippies and have very open minds—for instance, my dad told me I should stay out all night on my 18th birthday!

“You might think, How cool is that? But you would be wrong. Because *really* think about it: If *your* dad saw you all dressed up in a teeny little bra top and a miniskirt the size of a wristband and said, ‘Wow, honey—you look great! Have fun tonight, but remember to use condoms’—I mean, it sucks every ounce of excitement out of the situation.

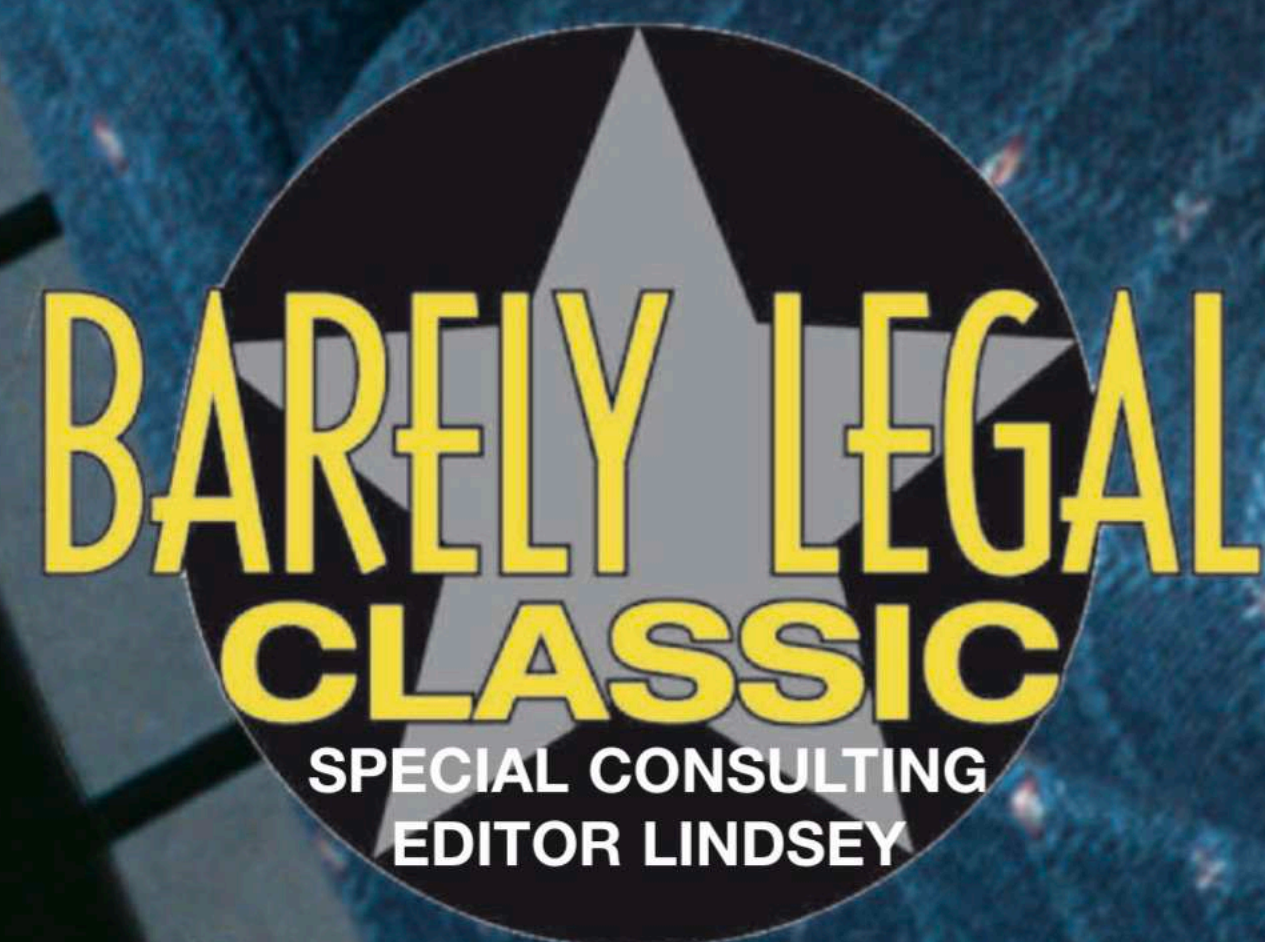

“I want to be bad like other girls, but how can I be if my mom and dad think everything I do is cool? So I asked everyone at BARELY LEGAL for advice on pissing off my parents, and they all pretty much recommended the same thing: Let them actually catch their little girl doing something totally perverted.

“So I invited over Randy *and* Richard. When they showed up, Randy was all, ‘Dude, your parents are right out in the kitchen.’

“‘That’s the idea,’ I said. I got on all fours and invited them to step up. It was *cool*. Randy totally fucked my mouth while Richard pounded my cooch from behind. That was the loudest I ever came, which was perfect, because my parents came rushing in, like, What’s wrong?

“My mom immediately started bawling. *Finally!* I thought. But it turned out she was crying from happiness! And my dad was, like, *beaming*. They said I reminded them of the ’60s and free love. So now I’m a square besides! I might as well join a convent. *That* ought to piss them off.” ★

HUNTER & KAYCEE

anything boys
can do, we can
do better

PHOTOGRAPHY BY MARKHAM

Hi, I'm Nikki. I just started here at BARELY LEGAL as an intern. I don't really know what I'm doing yet! On my *very first day*, I was supposed to go to this photo-shoot and interview Kaycee (she's the blond one) and Hunter (the brunette) and ask them all these dirty sex questions. But I got really nervous about being on a porn set with not one but *two* girls who were naked *and* having sex! So we ended up doing it later over the phone. I hope that's okay!

Hello?

Kaycee: Hello, this is Kaycee.

Hi, I'm Nikki. I'm calling from BARELY LEGAL. Is Hunter there, too?

Hunter: Yeah, I'm here. Hi, Nikki.

I'm so sorry I didn't make it to the photo-shoot, you guys. How did it go?

Kaycee: Great. It was fun. Hunter did this *amazing* thing with her tongue that she's teaching me how to do. Being with her was like being with *two* guys at the same time.

Hunter: Aw, thanks, Kaycee. You were great, too. You've got a great bod—and your you-know-what tastes like cherries.

Kaycee: *Ooh*, you noticed!

Are either of you into guys at all?

Kaycee: *Uh*, yeah! This was actually my first time ever with a girl. I wasn't really sure what I was doing. Hunter made it easy for me. The dildo thingies were a big help, too.

Hunter: Well, Kaycee made it easy for *me*. I mean, look at that butt! Who wouldn't want to hit that? I've been with other girls before, but I've had boyfriends, too.

Was it weird doing it in front of a camera, or were you guys cool with it?

Kaycee: It was fine. The photographer was really nice. Having a guy there was kind of a turn-on.

Hunter: I probably would have been *more* nervous if I was just posing by myself. I was having so much fun with Kaycee, I forgot we were being photographed.

How did you guys get into modeling?

Kaycee: I was approached over the internet. I started doing bikini and lingerie modeling, then found out how much more I could make posing nude.

Hunter: I went to a strip club and got hit on by a stripper! She did some porn, too. She said I had a "quality." She gave me her manager's card, and the rest is history.

So, is it okay if I ask some sex-related questions?

Kaycee: Shoot.

What's your sexual nature? Are you horny all the time? What are you like in bed?

Kaycee: I love sex as much as guys do. Maybe more! I have to initiate it sometimes.

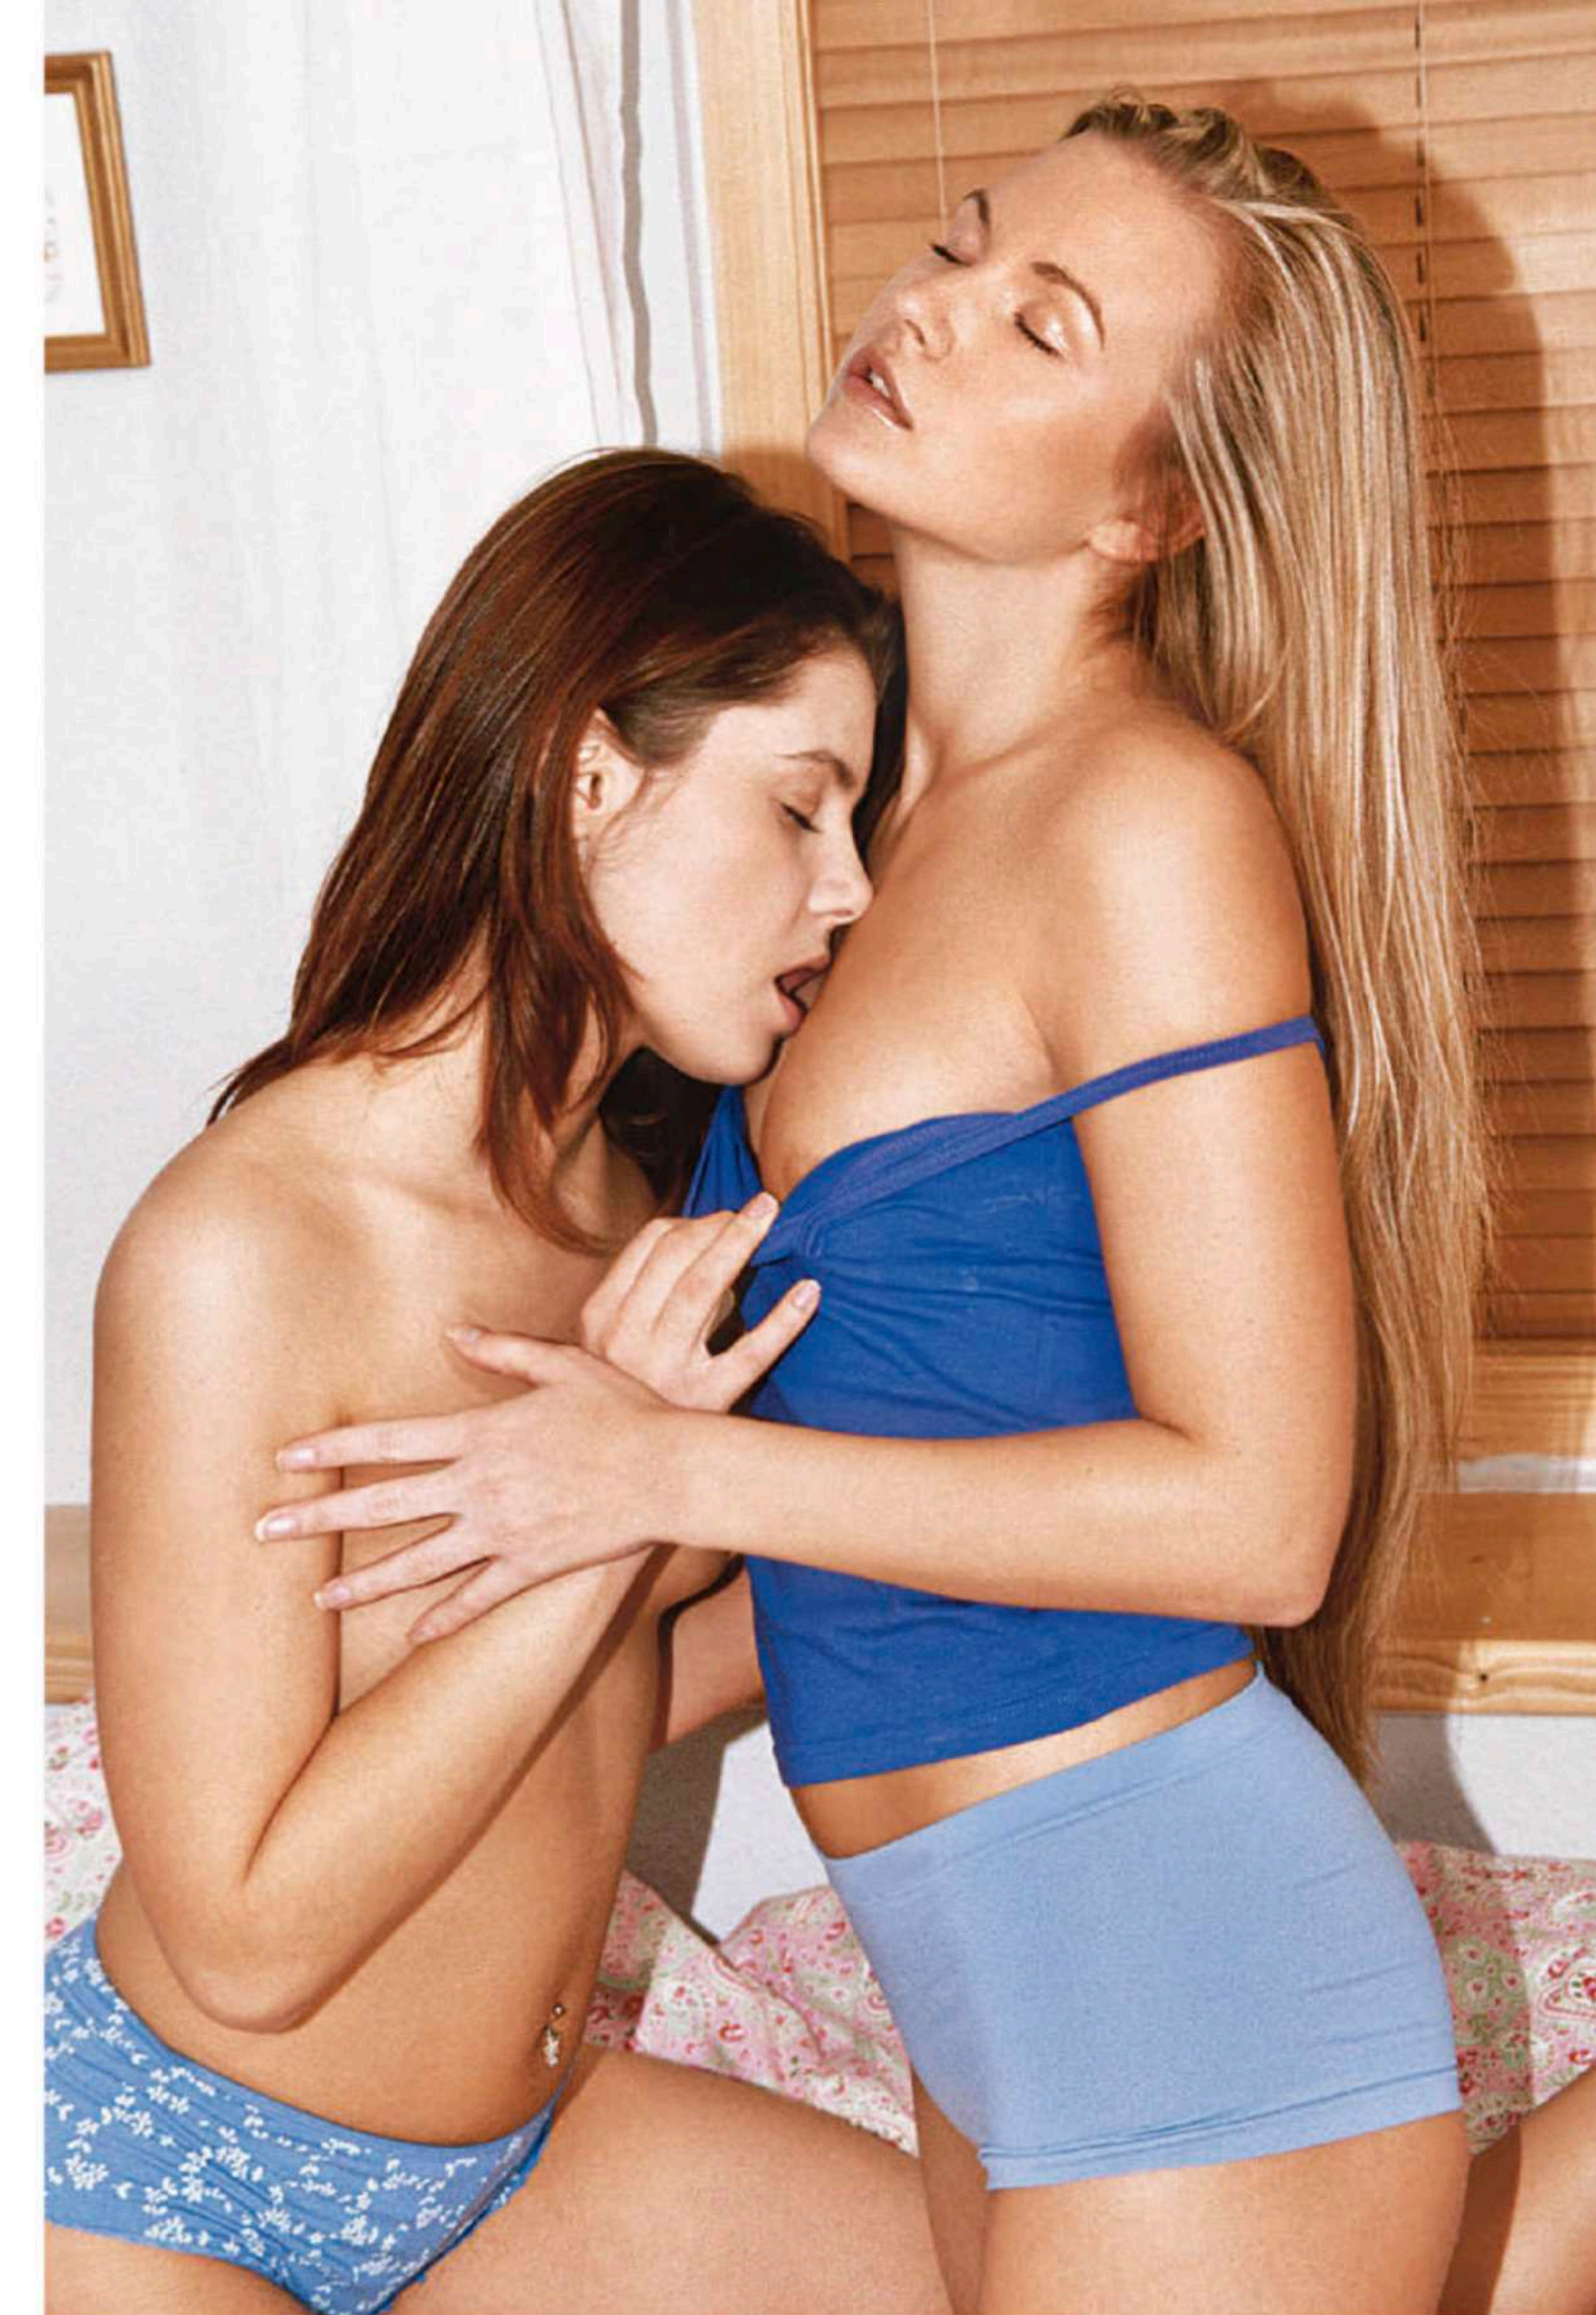

Hunter: I'm different with girls and guys. With girls I like to take it slow—lots of kissing and cuddling and fingers and tongues. But I like my guys to be more rugged and dominant. Like, I like having my ass slapped.

Oo-o-okay. What about you guys's sexual fantasies?

Kaycee: I've always wanted to have a threesome with a guy and a girl. But I never even *thought* about having a threesome with two guys! Having one dildo in my butt and one in my pussy felt *soo* good, I can't help wondering what the real thing would be like.

Hunter: Why stop there? Mine is to have my own sex slave. He'd be begging me for a blowjob, and I'd be all, "You'd like that, wouldn't you? But you're my slave. You have to do every single thing I say."

Okay, good share. What's that, Lindsey? You want me to rub your what? Sorry, guys, I gotta go. Bye! ★

MEGGAN

Hey, it's Lindsey. Meggan is a wee bit past legal—okay, she's not a teen *technically*—but she is so mind-blowingly beautiful, we *had* to feature her in this issue!

"Thank you!" says Meggan. "Thank you for bending the rules for me! Omigosh, *everybody* has been so nice to me since I came out here to California. But you're the nicest, Lindsey."

*Hmmm...*is Meggan using me to fulfill one of her fantasies? I don't mind!

Romantic status: Single. I don't have time for a steady boyfriend right now. I'm totally focused on my new career.

Fave hobbies: No time for those, either. But honestly, I have so much fun posing for photos, I don't *need* a hobby!

Favorite part of your body: My eyes. I've been told they're special.

Biggest turn-on: Big, strong hands all over my body.

Biggest turn-off: Racism and other ignorant behavior.

Something nobody knows about you: Well, you might not believe it, 'cause here I am naked as a jaybird, but I'm still kind of inexperienced when it comes to sex. I have a feeling that will change this year!

Ideal guy: He's strong, kind-hearted and respectful. A gentleman at all times—except in bed! A little impoliteness there can be exciting.

Fave masturbation method: I fuck myself with my finger. *Ooh, I am a dirty blonde, aren't I?*

Fave sex position: I love to be on top and ride like a cowgirl.

Spitter or swallower: I swallow, like a lady should!

Best way to come: I grind my clitty real hard. It's easy when I'm on top.

To bi or not to bi: All I've done is, I made out with a girl at a party once. But that definitely got me thinking!

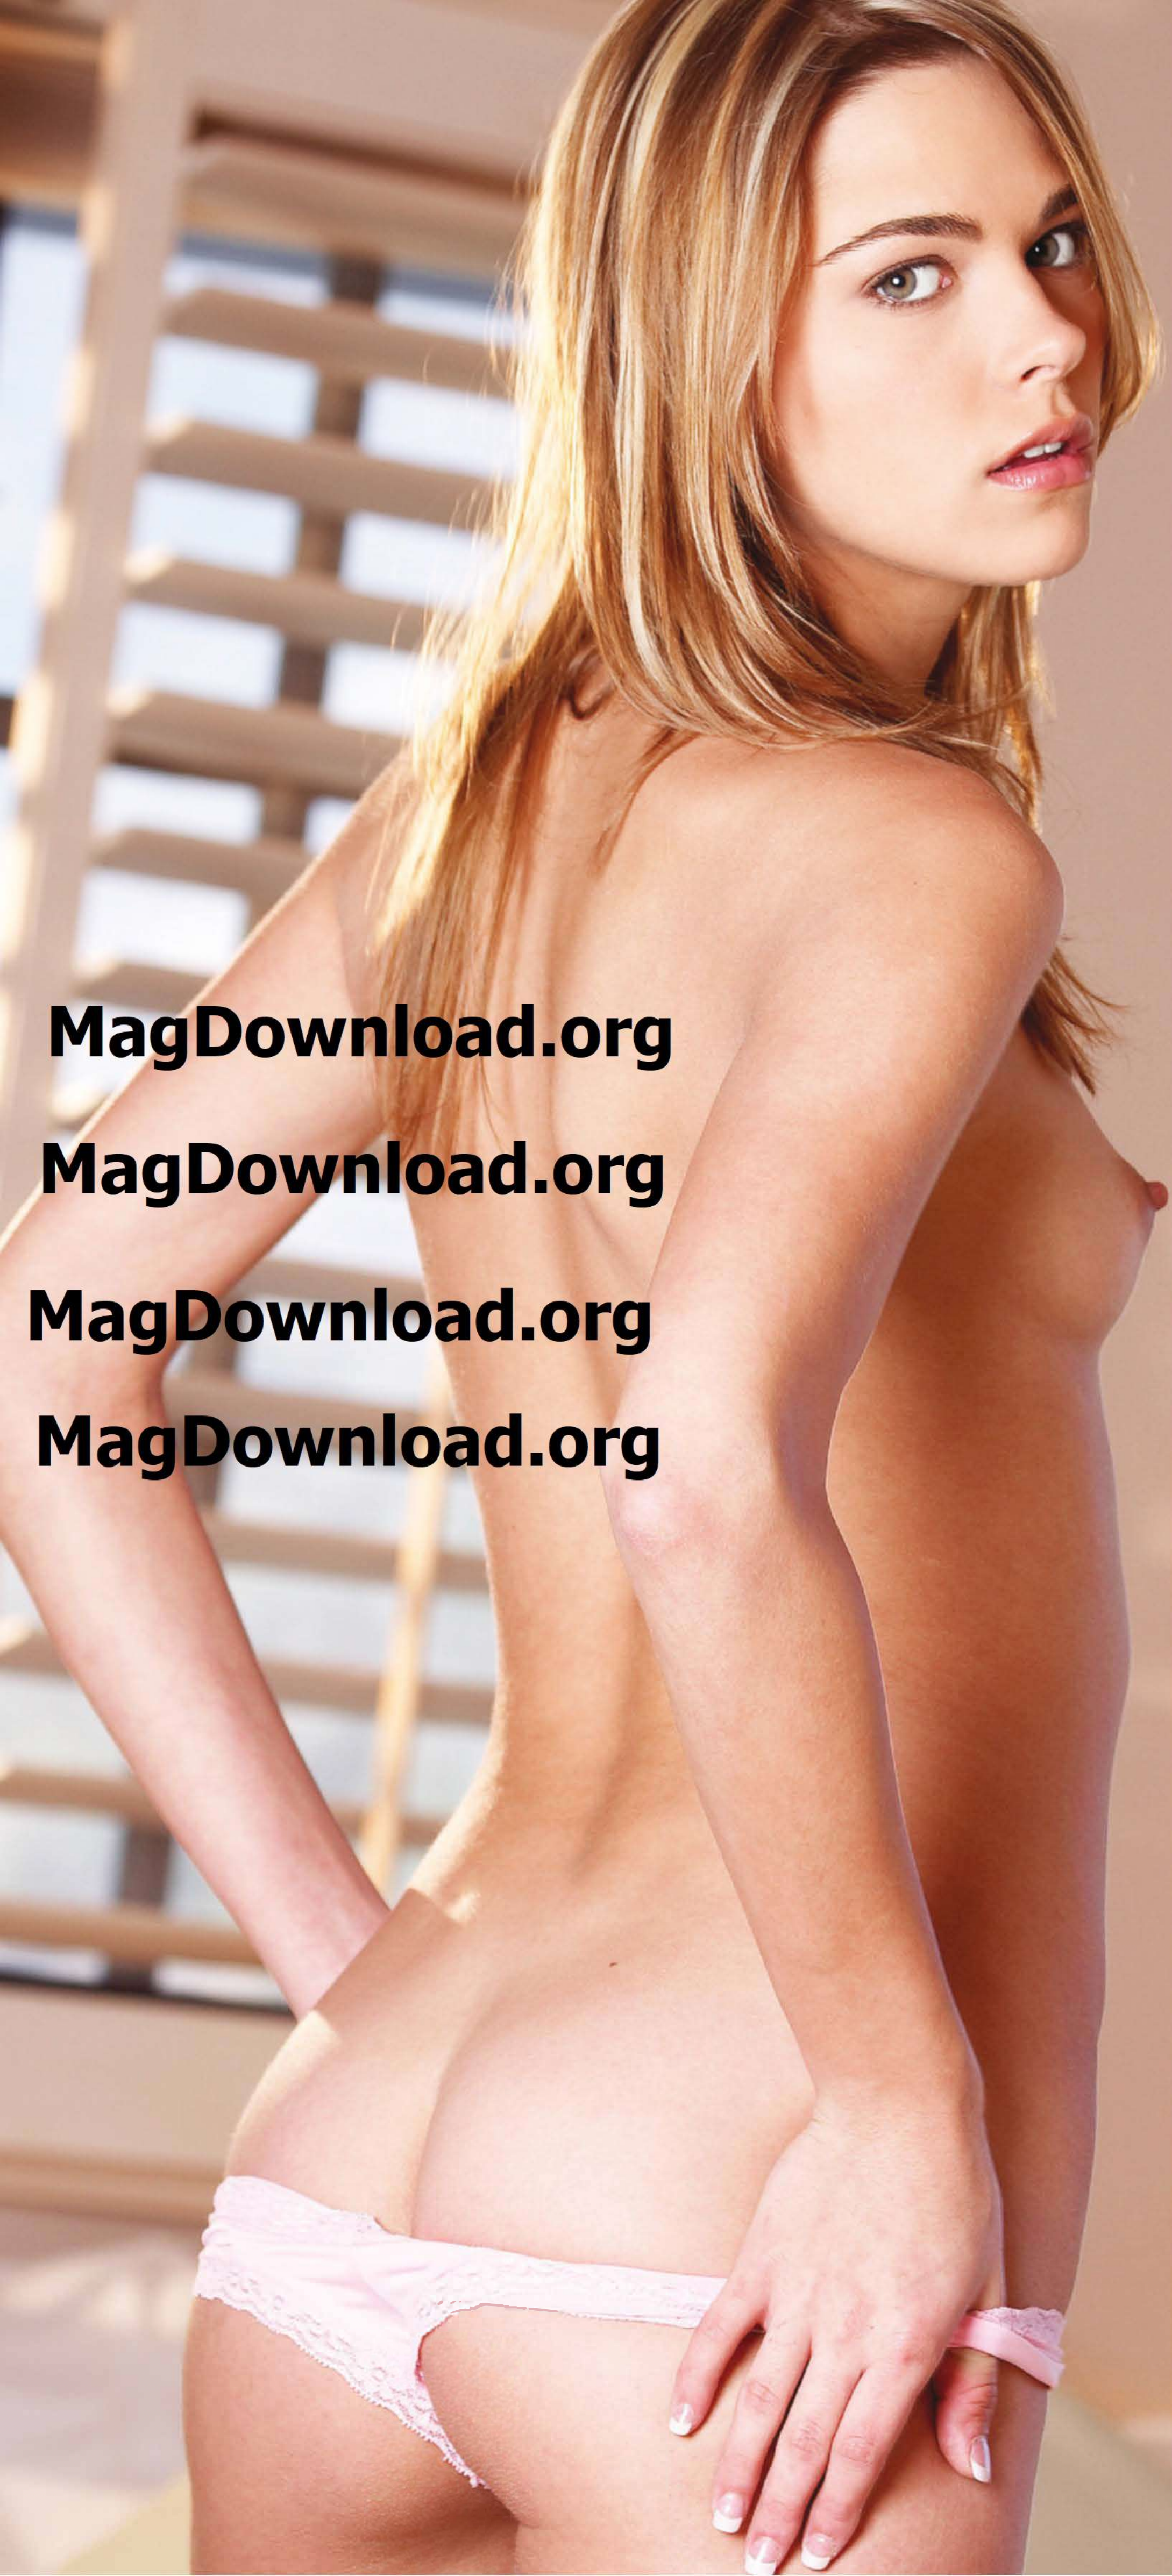

Butt sex, yay or nay: Can I say no comment? I'm just not sure.

Fave sexual fantasy: I have a *bunch*. I want to have sex outside with people watching. Plus I'd like to have a threesome and also a *real* lesbian experience.

Ultimate goal: I want to do lots more modeling and maybe even some pornos. Keep your eyes peeled for me! ★
